## Cubmaster notes

As we look around, it seems like we are thinning out a little. This is totally normal I am told by other more seasoned leaders. After the Summer Fun, Thanksgiving, and Christmas, seasons when people are so busy and miss a few meetings, some don't come back. It may be true but I don't have to like it! I miss you all that are not coming to the meetings anymore!

NOTICE TO ALL DEN LEADERS: Find out what requirements are needed for each Scout to fulfill their requirements to receive their rank. Utilize myself or Oscar and any other experienced parents to split your den to do multiple requirements as necessary. Let us know what help you need.

Scouts, & Parents, encourage each other and lets finish our books by the Blue & Gold Banquet, March 28<sup>th</sup>.

Check out the upcoming calendar of events. There's still lots to do.

Note: to everyone

1. Please bring in any copies of pictures (preferably on disc) to be used for our first year CD of all the things we have done.
2. Submit your suggestions for places to go camping or as day trips.
